MISS COOK'S FLINCH COMPLIMENTARY TO CLUB.

Miss Jennie Cook entertained very charmingly Wednesday afternoon complimentary to the Excelsior Flinch Club whose guest she has been on several pleasant occasions.

In addition to a full attendance of the club membership Miss Cook's personal guests were Mrs. W. R. Merriweather, Mrs. Leslie E. Brooks, Miss Mary Thompson, Miss Robinson and Miss Lomie Gould.

The score cards were pretty butterflies in water colors.

As next Wednesday will be Memorial Day no meeting will be held for two weeks.

FOR HOT SPRINGS FIRE SUFFERERS.

As stated in The Journal Wednesday morning, the composite entertainment—concert, musicale and dance—given at the Progress Club Tuesday night was largely attended.

The liberal patronage resulted in realizing a nice profit which goes for the benefit of the sufferers from the fire in Hot Springs.

The I. O. B. B. is to be congratulated, as the affair was given under the auspices of that order, and the success is due to the management and influence of the members.

HUDSON—FRANCIS MARRIAGE IN MILTON.

Milton was the scene of a very pretty home wedding Sunday evening, April 14, when Mr. C. L. Hudson and Miss Nora Lee Francis were married at the residence of Mrs. Joe Francis.

Rev. R. R. Anderson pastor of the First Presbyterian church in Milton officiated in the presence of relatives and only a few friends.

The bride was beautifully gowned in white Persian mull adorned with Tennenliffe trimming, and carried a

bouquet of white Madame Le Marquer roses.

Little Miss Carrie Spencer niece of the bride was a lovely flower girl all in white with a bouquet of pink Le France roses.

The groom wore the conventional evening clothes and the bride group was an attractive picture as the impressive ceremony proceeded.

After an informal reception of the congratulations and good wishes of those present delightful refreshments were served. Later Mr. and Mrs. Hudson left on the night train for a ten days trip to New Orleans and other cities of interest, after which they will reside in Donovan, Miss., where they will be "at home" to their many friends.

"Women's trailing skirts spread the tuberculosis germ. New York physicians say so, and that settles it. I am bound to get around to Eve in the end," says the Times-Union paragrapher. And Eve don't mind so long as Adam coughs up.

Miss Alpha and Miss Omega Durbin of St. Louis, who have spent a few days visiting friends left last night for various points in Alabama before going to Memphis and Helena on their way home.

Mrs. Adam Krell and Miss Metz of Germantown, Pa., are expected to spend Sunday with friends in Pensacola.

Mrs. Charles Rice and little daughter Myrtle and Dorothy have returned from an extended visit in Greenville, Ala.

Mrs. J. Walter Higgins and little daughter Marcia have returned from the North.

Maj. Dominick Brown and his adjutant, Lieut. Shields Warren of Apalachicola, are in Pensacola in the interest of military organization. Major Brown is registered at the Merchants hotel and Mr. Warren is a guest of his uncle Mr. Farley on Bayou Chico.

PERCIVAL—BROCK.

Cards are out inviting to the marriage of Mr. Walter Brock of Anderson, S. C., to Miss Mamie Percival. The ceremony will take place on April 26 at the residence of Mr. and Mrs. B. R. Witkowski, 500 West Gregory.

Mrs. Chas. F. Steward, who has been very ill at her home on East Hill for several weeks, but who was slowly recovering, suffered a dangerous relapse yesterday, caused by the announcement of the death of her father, Mr. G. W. Brooks, at Noma, Fla., Sunday.

FEAST OF THE PASSOVER

IT COMMENCED LAST EVENING AT SUNSET AND WILL CONTINUE FOR EIGHT DAYS.

The Feast of the Passover, or Unleavened Bread began last night at sundown, and will be celebrated throughout the entire Jewish world. Originally a festival of springtime, it has from time immemorial been regarded as the classic Jewish idea of redemption as illustrated by the story of the Exodus of the children of Israel out of Egypt.

In reminder of that event it is the custom among observant Israelites to eat matzoth or unleavened bread as a symbol of the unleavened bread eaten during the rapid flight from Egypt. The festival continues eight days. In most Jewish households on the first and second nights of the festival a beautiful and soul-inspiring home ceremony called the Seder is celebrated, by the recital of the Haggadah, a collection of traditional homilies and songs. This is the most beautiful of the Jewish home ceremonies.

Services were conducted yesterday afternoon at 5 o'clock by Rabbi Samuel Koch at Temple Beth-El and a similar service will be held this morning.

My joints would crack when I straightened up. I used Chamberlain's Pain Balm and have been thoroughly cured. Have not had a pain or ache from the old trouble for many months. It is certainly a most wonderful ointment." For sale by all druggists.

NEW RAILROAD EXTENSIONS MADE

TWO NEW LOG ROADS BEING LAID AND FORT MORGAN LINE IS HALF FINISHED.

The following railroad news is from the Gulf Coast Record of April 15:

The Escambia Manufacturing Co., Escambia, Fla., (formerly the Skinner Mfg. Co.) will extend its road down to a point about opposite the mill, a distance of several miles.

The Alger-Sullivan Lumber Co. is running regular trains from Century to the terminus of their road, a distance of about 60 miles. This road runs through a fine timber and farming country and the inauguration of regular trains will bulge up this section rapidly. Two saw mills are already in operation and the movement of cotton and naval stores promises to be very heavy, all of which will find an outlet via Pensacola, on a through rate, with the Louisville and Nashville railroad.

The Louisville and Nashville railroad has about half of the track laid on the road from Bay Minette, Ala., to Fort Morgan. The new station at Bay Minette is complete and the little town is feeling the effect of a new road.

THE NEW PRINCESS SKIRT.

Silk warp Henrietta in the new violine shade, combined with velvet of a deeper tone, is here shown. The skirt is in princess effect, the bodice portion reaching to six inches above the waistline. The skirt is cut in narrow panels overstitched, and at knee height a full flounce is set. The bodice portion slips under the skirt girde to give a princess effect, a stitched empiement of the fabric lapping over the skirt in front and back to further emphasize the princess idea. The little velvet bolero curves off sharply in front, and has elbow sleeves, with flaring turnback cuffs.

NEGROES WILL FIGHT THE "JIM CROW" LAW

DELEGATION SENT TO TALLAHASSEE FOR THIS PURPOSE. STATED THAT MANY REPRESENTATIVE COLORED MEN DO NOT OPPOSE ITS PASSAGE.

The negroes of Pensacola, at least a portion of them have prepared to fight the bill introduced by J. C. Avery, Jr., in the house of representatives of Florida. It is known as the "Jim Crow" law, and its provisions are that the street railway companies of the state provide separate compartments for white and colored passengers, such as is being done on steam railways. This bill is to be reported at an early date, and the negroes of Pensacola have determined to wage a war against its passage, but it is conceded by a great number that it will pass.

Recently a certain class of the negroes held a meeting in the church on North Gulfstream street, when many speeches were made, the principal speakers being C. F. Call and C. H. Alston. Others also addressed the assembly, which some of the colored citizens of the city say was not a representative one.

The meeting resulted in the appointment of a committee to go to Tallahassee and appear before the legislature and protest against the passage of the measure. Funds for defraying the expenses of this committee were raised during yesterday and the day previous. The committee is composed of C. F. Call, C. H. Alston and Robert Thompson. M. M. Lewey was appointed to serve the committee but declined to do so. This committee left yesterday morning for Tallahassee and will appear before the legislature to-day, if granted that privilege.

A large number of the most representative colored citizens of the city stated yesterday that they were not opposed to the passage of the law as under its provisions the company would be compelled to furnish equal accommodations for white and black, and that those who went the negroes did not represent all of them.

With one or two exceptions every colored merchant and business man of Pensacola is in favor of the passage of the law, or does not care whether it passes or not. In fact they are not interested in the street car business, and say if the company cannot furnish them the accommodations they desire, that they can walk.

LANDRUM AND IOWA TEAMS

TWO STRONG AGGREGATIONS WILL MEET ON THE BASEBALL DIAMOND MONDAY.

What promises to be an exciting game of baseball will be played on the "Big Ditch" diamond on Monday afternoon at 2:30 o'clock, between the apprenticeship team of the U. S. S. Iowa and the Landrums of this city.

The Iowa team is considered a strong aggregation and have not yet met defeat. The Rev. Father McDonald, chaplain of the Iowa, who is the manager of the team, is a great baseball enthusiast, having been identified with baseball matters while located in Trenton, N. J., and he has his team working as easy and even as clock work. The teams will line-up as follows:

U. S. S. Iowa. Rentzel, catch; Whitney, pitcher; Miller, first base; Granstein, second base; Kyles, shortstop; Mundale, third base; White, left field; Poland, center field; Kink, right field.

Landrums. Borras, catch; Miller, pitcher; Childers, first base; Bergen, second base; Wells, third base; Griffin, shortstop; Bogart, left field; Pyritz, center field; C. Klunker, right field.

Serious Stomach Trouble Cured. I was troubled with a distress in my stomach, sour stomach and vomiting spells, and can truthfully say that Chamberlain's Stomach and Liver Tablets cured me.—Mrs. T. V. Williams, Laingsburg, Mich. For sale by all druggists.

INDICATIONS ARE THAT STRIKE WILL SPREAD.

Chicago, April 19.—Although influences are still at work in the hope that an amicable adjustment of the difficulty existing between the teamsters and Montgomery Ward & Co., can be reached, the indications are tonight that the strike will spread to other concerns in the near future.

FUNERAL NOTICE.

The infant daughter of Mr. and Mrs. W. H. Fawcett, of Gulfport, Miss., will be buried this morning at 10 o'clock from the residence of Mrs. Fawcett's father, W. W. Richards, 623 East 10th Street.
